Ivím at Work

Pricing as of 06/01/2025

With Ivím at Work, employers get to choose – based on their goals, budget, and the unique needs of their employees – whether they want to provide access to brand-name GLP-1s, compounded GLP-1s, or a combination of both.

Ivím at Work sources brand-name and compounded GLP-1 therapies from only the highest-rated pharmacies and 503B outsourcing facilities (formerly known as compounding pharmacies) in the industry. So, no matter which GLP-1 therapy an employer includes in their benefit, we are committed to delivering safety and quality care at every step.
